## **Family Program**

There will be a family room set up throughout the days of the Conference.

Tours in the Special Activities Program are being planned for one of the largest enclosed malls in Oklahoma offering more than 100 shops and restaurants; Drysdale's Western Store, one of the largest western stores in the United States with a variety of western as well as contemporary clothing, art, jewelry, cowboy boots, hats, etc.; a tour that will include a visit to Gilcrease Museum, a look at the elaborate, lavish architecture from the oil baron days, Oral Roberts University, and lunch at an interesting location. Participants will be able to enjoy a Native American Style Show where all clothing presented has been researched for styles and traditions to ensure authenticity of the Indian culture. There will be live entertainment provided throughout the days of the Conference.

There will be scheduled activities for children from age 7 up, including trips to the Big Splash Waterpark and other activities where the parent does not have to attend.
