SUBJECT: Job Application of Hollis H. Joy; Chapter C and B Review Program;
Letter from Art Lane; Letter from Nate McClure

Copy of job application is attached for your information and review.

Called a member of the Iowa Chapter, not named in the application, regarding Mr. Joy. Was advised he was a nice fellow, knew his stuff (?), but was now 66 years of age.

A letter from Chuck English, which will go out to all Chapters not having met C and B up-dating requirements, is attached. Chuck now has all of the Chapter C and B's. He reviews them and takes whatever action this review calls for. As the C and B's are brought up-to-date, he ok's them and sends them back to me. To date, the C and B's of the Illinois, Michigan, Iowa, N.C., Virginia, and NCAPCO chapters are in my approved files. Work continues on the others.

The nice letter from Art Lane is rewarding in view of the possibilities that initially surrounded this matter.

The letter from Nate is appreciated. It might be the starting point for discussion of this item on the December Board meeting agenda. I will use the first page of his letter as a "letter to the editor" in the BULLETIN, to offset another letter to the editor which takes issue with humor.
