

WMDZ in 1929. Robert E. Kirby will act as master of ceremonies at the banquet.

It is suggested that the talk by Governor McNutt be not too long, about one half hour. That each of the others who will be introduced and speak at the banquet limit themselves to five minutes.

The membership of this organization consists of men who are pioneering a new field in police work, namely police radio. They represent cities from all parts of the United States and, as their activities and recommendations on police radio matters are constantly in accord with latest scientific advances in radio, every man attending this convention will be better able to increase the efficiency of his own department.

Respectfully submitted,

Captain Robert L. Batts,
Supervisor of Radio.
