

MR. JETT:- Mr. President, Members of the APCO, I am only too happy to come here and work with you and I hope that our friendly relations may continue. I am more than glad to work with you and help you in whatever way I possibly can.

PRESIDENT BATTS:- The chair will now entertain a motion to the effect that the list of new members(which I am about to read,) be simply read and accepted as a group instead of individually.

MR. FISHER:- I move that the President read the list of new members and that they be accepted as a group instead of individually.

MR. WAITT:- I second that motion. Motion carried.

PRESIDENT BATTS:- I will read the Active Members first which have come into the organization since our convention October 1935:-
