

organization

I would like to explain a little further. The form of the resolutions is copied from other National Communication Associations as a guide. I would like to hear discussions on that, particularly from these State organizations. It is our opinion, that we would get a large increase in membership and that also we will reach into every locality far better than we do now and the ~~organization~~ ^{FPCCO} will become larger and be much more beneficial not only to the new members but to ourselves.

After much discussion, Lt. Wildt moved that the resolution pertaining to the taking in of the other organizations be adopted.

MR. JOYCE:- I second the motion.

PRESIDENT BATTS:- It has been moved and seconded that we adopt the resolution providing for chartering of State Communication Organizations. All in favor make known by raising your hands. 25 voted "Yes". There were no ^{re to the} contrary. Motion carried. *many did not vote.*

PRESIDENT BATTS:- I am in favor of submitting this other resolution concerning the Executive Committee to the Resolutions Committee. Is there any discussion on that?

MR. MORRIS:- I move that it be turned over to the Resolutions Committee to investigate it during the coming year and report on it at our next convention.

LT. WILDT:- I second that motion.

PRESIDENT BATTS:- It has been moved and seconded that the Resolution concerning the Executive Committee be submitted to the Resolutions Committee for study during the coming year. All in favor please make known by the customary sign. Motion carried.

PRESIDENT BATTS:- I would like to read the supplemental list of new members that I have here now. We have the cards here for all of the new members who were passed up this morning, provided you didn't
