MR. LATHROP :- Mr. President, Gentlemen, I believe this is the first time that the General Electric Company has taken for using your time and space for showing you our product. I want to thank you for the opportunity. We will be back in our booth and will be glad to have you ask us questions and we will try to answer them and we would like to show you just what the General Electric Company has to offer you for your use in communication purposes. That's all I have to say at this time. Thank you.

PRESIDENT BATTS:- Next on our program is General Discussion. Has anybody anything to offer in the way of general discussion?

MR. MORRIS:- I think it would be to the interest of the Association for every member of the Association to have a list of the names and addresses of all members.

PRESIDENT BATTS:- I think that is a good idea and I am willing to take it upon myself personally to see that it is done.

MR. SCROGGIN:- I move that a list of all Active and Associate members be sent to every member of the organization.
