There was no afternoon session due to the fact that the members did not return in time to hold the meeting before the trip through the Rock Island Arsenal.

WEDNESDAY SESSION
October 7, 1936

Meeting called to order by President Batts at 10:40 A.M.

PRESIDENT BATTS:- In as much as the Constitution requires the reading of the minutes, the Chair will consider a motion that the reading of the minutes be disposed of until some time later.

LT. WAITT:- Mr. President, I move that the reading of the minutes be disposed with.

MR. TAYLOR:- I second that motion. Motion carried.

PRESIDENT BATTS:- We also passed up Delco-Remy yesterday. May we have a few words from Mr. ^{Heide?} ~~Heide?~~

MR. HEIDE:- I have very little to say for I know you are quite busy. The only thing I want to bring to your attention is that we have a new type generator for slow speed cruising. We have found a need in especially the larger cities where they have a lot of real slow speed cruising and we have a new generator for that purpose. That's about all I have to say and if any of you have any questions, we will be glad to answer them for you.

PRESIDENT BATTS:- This job of appointing the nominating committee is not particularly pleasant because when I do that I am "sort of behind the eight ball." However, it is required by the Constitution that we do such a thing. I wish to make a few remarks before that is done and address it not only to those members who may be on the nominating committee but also the entire assembly. The names for the different offices chosen by this nominating committee are not the only names that can be ~~used~~ ^{presented}, but nominations can also be made from
