and many other qualifications which we certainly should ~~watch~~ when making the selection of the head of the organization. With that, I will appoint the nominating committee:-

- Chairman - P.M. Smith
- A.J. Sigel
- John D. Corley
- F.E. Lyman
- L.M. Geno

PRESIDENT BATTS:- Mr. Smith, will you please call a meeting of your committee and, I realize the time is short, but I wish you would report back here with whatever you may have at 11:30. Understand gentlemen, that nominations can be placed from the floor.

PRESIDENT BATTS:- I would like to ask Mr. Frye of NBC to make a short announcement concerning the broadcast tonight.

MR. FRYE:- I have tentatively selected eight men for this broadcast. The reason I have selected these men is because they constitute a coast to coast representation. There is nothing personal in it. We have selected, Mr. Jett, Mr. Coffey, Mr. Stanley, Captain Batts, Mr. O'Neill, Mr. McMurphy, Mr. Morris and Mr. Fisher. We want to devote quite a little time to the preparation of this broadcast. The broadcast will be for twenty-five minutes over the NBC from 10:35 to 11:00 o'clock. It will be a coast to coast hookup. I have a fair idea of what the questions and answers will be and I think we can iron it out during this afternoon. I would like to request that those names I have read, please report in room 306 for a meeting this afternoon to make arrangements for the broadcast this evening.

PRESIDENT BATTS:- I believe there are at least two resolutions to be presented this morning. Mr. Secretary, have any resolutions been presented to you?

SECRETARY KELLY:- No, not yet.

Whereupon Mr. Scroggin presented his resolution to Mr. Kelly.
