

("Note: each discrepancy counts as one discrepancy, in this case there would be three discrepancies)"
viz: F.C.C. 102-C

Submitted (Signed) E.J. Scroggin "

Quite a lengthy discussion was had on the resolution.

MR. FISHER:- I move Mr. President, that we adopt Mr. Scroggin's resolution.

MR. KENNEDY:- I second the motion.

PRESIDENT BATTS:- It has been moved by Mr. Fisher and seconded by Mr. Kennedy that we adopt this resolution. All in favor please raise their hands. 11 voted yes. 12 voted no. Motion lost.

MR. FRANKLIN:- Mr. President, I move that Mr. O'Neill's blank for the use of radiotelegraph stations be adopted by this organization.

MR. FISHER:- I second the motion.

PRESIDENT BATTS:- It has been moved and seconded that this organization go on record as adopting Mr. O'Neill's finger print blanks for use in handling finger print identification in this ^{integrity communication} police work. All in favor of adopting this blank please make known by the customary sign. Motion unanimously carried.

A short talk was given by Mr. Briggs of the Gamewell Company.

The representative of the Pioneer-Gen-E-Motor Company was then called on to give a short talk but he had already gone home.

PRESIDENT BATTS:- Mr. Carlson of the Karadio Company requested that he be stricken from the list of speakers because he had an appointment and had to leave. However, he will be back this evening in time for the banquet and broadcast.

After a lengthy discussion, it was suggested that the Inter-
