RJH:rh Bob -- You should have put some indication on your envelope that the contents were APCO mail; I nearly threw it in the wastebasket, (mistakenly) thinking it was some sort of "junk" mail due to your return-address. I attempt (also) to compile an office/home phone-list of our own Chapter membership, and update this data each year with an information-form which is enclosed with the Dues Notices. A copy of this info-form is enclosed for your use, if you so desire; it holds no Copyright, you are free to use it if you like.

Also, will you be at the 9th Western States Regional here in Seattle in March which NW Chapter is hosting? If (over. please)

not, I'll probably see you at the 1974 National in San Diego.

Sincerely,

P.S.

Thought you'd like the data on the rest of our Officers for Northwest Chapter:
